READING (Unseen passage)

I. Read the passage and answer the following questions: (5)

The act of cutting down the trees is called deforestation. All the plants and living creatures in a particular area are known as ecosystem. The plants of a particular area are called Flora. In India, we find major forest areas in Assam, Kerala, Uttar Pradesh and Tamil Nadu. The trees like Teak, Bamboo, Sandalwood, Rosewood and Willow trees are found in the forest. People cut the trees and destroy forest for cultivation, fuel requirements and for building construction. The forests provide a large number of commercial goods, produce oxygen and reduces global warming.

Answer the following questions

1) **What is called deforestation?**

2) **For what purpose people cut the trees?**

3) **What are the major forest areas in India?**

4) **Name the trees found in the forest.**

5)What is Flora?

Seen passage

II.Read the following passage and answer the questions given below: (5)

Once a Pundit, visited the court of Akbar. The Pundit could speak many languages fluently. He challenged everybody at the court to name his mother tongue. When everyone failed, the challenge was taken up by Birbal. That night, Birbal went quietly to the Pundit's room when he was asleep. He whispered into the Pundit's ear and tickled it with a feather. The Pundit, half awake, suddenly and shouted in his mother tongue. Birbal came to the next day court and told that the Pundit's mother tongue was Telugu. The Pundit was surprised and accepted the truth.

Questions:
